TRAINING TO GROUND STAFF & FA'S

PROPITCH LEAVE A LEGACY

ProPitch have delivered many training courses and interactive CPD sessions for confederations such as **FIFA, UEFA and local FA's** to support the development of local ground staff. The training material targets the following for Natural and Hybrid surfaces.

- Common issues and solutions
- Management practices
 - Equipment, frequency, risk assessments, sustainability audits.
- Product application
 - Fertiliser programmes, specialist treatments, disease and pest control.
- Objective test data / Self Assessment training
 - How to get a venue pitch passport, and set up benchmarking and trending on your own facility.
- Key stage inspections of project build
 - The critical stage to check the build/renovation and protect the future of you pitch.
